## Action Print Competition July 2017

Number	Title	Result	Feedback
	<b>B Grade Set Subject</b>		
B1	Aerobatics?	Honours	Positives: Well framed, filled image Horizon is spot on and adds to drama of the flight.  Negatives: Shutter slightly slow, visible on the left.
B2	Autocross action	Highly Commended	Positives: Great moment captured  Negatives: Vibrance needed for the colour Crop quality
B3	Burn out	Highly Commended	Positives: Hard to get image like this right. Good crop  Negatives: Focus point in the wrong place WB temp balance too high Remove cone
B4	Competing	Merit	Positives: Shutter good  Negatives: Lower angle needed Remove Shoe Action should be on sole subject

B5	Determination	Accepted	Positives: Hard place to photograph B+W good idea  Negatives: Closed eyes destroy's point of the image
B6	Dive	Honours	Positives: Great use of sepia Unique image Smoke makes the image work and give the action
B7	Perfect landing	Honours	Positives: Great moment Well Framed
B8	Sack mates	Accepted	Positives: Creative idea Second image in, alone would make better image  Negatives: Scale wrong Editing cut with brush, pen tool needed No background ruins height
B9	Sandra boots it	Highly Commended	Positives: Great moment  Negatives: Faster shutter needed Needs to be brighter
B10	Start	Merit	Positives: Water splash is great  Negatives: Composition is off Focus is soft
	<b>A Grade Set Subject</b>		

A11	Breakthrough	Merit	<p>Positive's:          Good choice of crop          Beautiful light, fun image with smiling          Leaves in foreground gave a nice depth of field.</p> <p>Negative:          Cropping in has reduce quality</p>
A12	Bucked Boots 'n All	Highly Commended	<p>Positives:          Great moment          Loads to look at, shoe.          Great positioning and framing</p> <p>Negatives:          Shutter slightly to slow.          Enhance blacks</p>
A13	Fast drying Lab!	Accepted	<p>Positive's:          Difficult subject to time and position          Did well to catch the moment</p> <p>Negatives:          Not cropped well          Cropping zoom has damaged quality</p>
A14	Goal mouth action	Highly Commended	<p>Postive's:          Tells a story          Shutter speed, just right to capture motion</p> <p>Negatives:          Back of the head isn't a great look, focus needs to be on face of defenders to make it work.</p>
A15	Haka	Honours	<p>Positives:          Great moment, strong image          Black and white was a great idea.</p> <p>Negatives:          Shutter was a little slow</p>

A16	Leap	Highly Commended	Positives: Did well in tough conditions, red is difficult to get focus. Great Moment Good Crop  Negatives: Crop has damaged quality
A17	Little shag taking flight	Highly Commended	Positives: Shutter good for still image - Consider blurring digitally Nicely timed moment  Negatives: Crop is uneven
A18	Male Mallard performing "grunt whistle" courtship display	Merit	Positive's: Beautiful rich colour and contrast Focus is spot on  Negatives: Crop is a bit off The action recorded isn't right for still image. Had to read title before truly understanding the image.
A19	Out of the water	Highly Commended	Positives: Great angle and position, well framed. Loads recorded and to look at Black and white is interesting concept  Negatives: The contrast and clarity are too high, blends in too much. needs scaling back
A20	Ridng high - Masters Motorcross	Honours	Positives: Great moment of action caught Square framing has worked  Negatives: White balance need manually adjusting
	<b>A Grade Open</b>		

A21	Blackmount school	Merit	Positives: Great potential, recommend print it on Matt paper Post production colour toning for watered down colours needed or return during sunset. Great potential
A22	Green hood orchid	Highly Commended	Beautiful shot, blacks need defining and more white painted in to the back ground to make it pop more
A23	Feelings of foreboding	Honours	Unusual subject matter, very well composed. Beautiful variety of textures and colour pallet
A24	I only come out at night - the daylight is much too bright	Highly Commended	Striking picture Draws the eye brave to go near it  Tripod or faster shutter speed
